Some who find an Employee

My name is ABDIRIZAK MOKTAR ABDI OOMAR, a Software Engineer, Full-Stack & MernStack Developer based in Hargeisa, Somaliland. I respectfully submit my application for particularly in a role related to Information Technology, Software Engineering, or Digital Solutions.

I have completed Software Engineering studies at Tiigsi Technology and Mern Full-Stack Development at Telesom Academy, along with the Meta Full Stack Developer Professional Certificate. I have developed practical skills in modern web development using React.js, Node.js, Express.js, MongoDB, TypeScript, RESTful APIs, database management, authentication, Git, and GitHub.

I am hardworking, responsible, adaptable, and committed to using technology to improve services and digital systems. I kindly request your consideration for a suitable position that matches my technical qualifications, software engineering skills, and professional experience.

Thank you for your consideration.

Yours faithfully,

ABDIRIZAK MOKTAR ABDI OMAR
